Drinks are our forte. Tap beers, wines, basic & premium spirits, and delicious cocktails are all on the menu.

Our functions manager can discuss various packages to suit your function. Bar tabs can be arranged if you wish to provide drinks for your guests. Cash or credit card payments can be made at the beginning of the function. When the limit is reached we will notify you, and you may increase the limit or go to a cash bar. STYLING AND DECOR

Depending on what sort of function you're after we can help to bring your vision to life. Whether it's a sit down formal dining experience, with table flower arrangements, tealight candles, set plates, cutlery and napkins; or a casual mingling function, we can cater to any vibe.

You are welcome to bring your own room decorations, with a few simple rules. All fixings are limited to blu-tack only. Decorations can be set up before your function at a time pre-arranged with our functions manager.

ENTERTAINMENT

We have a close relationship with our neighbours and as such have a number of entertainment requirements. If you wish to have a soloist or DJ, please discuss with our functions manager. An auxiliary cable for an iPod and microphone can be supplied for certain areas at no cost.

CAKE

What's a birthday without cake!? You're welcome to bring your own cake at no additional cost. We can store it away for you until you need it but you'll need to prepare it yourself. If you want our kitchen to do the hard work for you, it's \$5 a plate.

AV REQUIREMENTS

In certain areas a projector or TVs are available for photo slideshows. Please enquire with the function manager if this is something you feel you may need.

SECURITY

Management of The Greenroof reserve the right to refuse entry to any person to a function deemed undesirable or intoxicated. No beverages of any kind are permitted to be brought onto the premises. We can provide wristbands for your guests if required.
